TENDER FORM

Construction of Proposed TV Tower at Bangalore Turf Club, Race Course Road, Bangalore

SL No	Description/ Item of work	Unit	Qty	Rate (Rs)	Amount (Rs)
1	Earth work excavation for proposed footings by mechanical means (Hydraulic excavator) / manual means from the top of NGL to a depth of 2.10m below, including dressing of sides and ramming of bottoms, including getting out the excavated soil and disposal of surplus excavated , within a lead of 50 m. All kinds of soils. Cost Inclusive of all machineries, equipment hire charges, transportation, labour, power & water lead and lift, tools and tackles etc. complete.	Cum	65		
2	Providing of Plain Cement Concrete (1:3:6) at footing, pedestal, grade slab, stair case below and above 300mm as per designs & drawings. The placement of PCC shall be carried out as per using appropriate method & as per directions of Engineer in charge. Cost inclusive of all machinery hire charges, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Cum	5		
3	Providing of Concrete M25 at footing, pedestal, strip beam, grade slab & slab at terrace as per designs & drawings. The placement of concrete shall be carried out as per using appropriate method & as per directions of Engineer in charge. Cost inclusive of all materials scaffolding, machinery hire charges, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Cum	20		
4	Providing of Reinforcement (Fe 500) at footing, pedestal, strip beam, grade slab & slab at terrace as per designs & drawings. The placement of reinforcement shall be carried out as per using appropriate method & as per directions of Engineer in charge. Cost inclusive of all bending, welding, cutting, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Kgs	1500		
5	Providing & fabricating of Column members for TV Tower of ISMB 450 as per standard practice, specifications & directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	6000		

6	Providing and fabricating of Beam members for TV Tower of ISMB 150 & ISMB 300 as per standard practice, specifications and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	6250		
7	Providing and fabricating of members for TV Tower of ISA (50*50*5, 100*100*8 & 40*40*5mm) as per standard practice, specifications and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	3250		
8	Providing of members for TV tower of Foundation Botls (50 Dia x 600mm long Anchor bolt grade 8.80 & 25 Dia x 400mm long Anchor bolt grade 8.80) as per standard practice, specifications and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Nos	52		
9	Providing & fixing M.S. Hand railings for of members for TV Tower with 50 mm dia M.S. hollow pipe of 12 guage, welded to 20 mm square rod placed vertically, spaced regular intervals of 600 mm and height of 900 mm Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Sqm	80		
10	Providing of members for TV Tower of decking sheet for flooring and roofing using appropriate tools as per standard practice, specifications and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Sqm	30		
11	Providing of members for TV Tower of M.S chequered plate of 5 mm thick using appropriate tools as per standard practice, and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	1800		
12	Providing of members for TV tower of water proofing using appropriate tools as per standard practice, and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Sqm	55		

13	Providing of members for TV Tower of Foundation Base Plates of 25- 30 mm thick using appropriate tools as per standard practice, and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	250		
14	Providing of members for TV Tower of Connection Plates of 12 mm using appropriate tools as per standard practice, and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete.	Kgs	2600		
15	Providing of members for TV Tower of light weight sheet roofing using appropriate tools as per standard practice and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete	Sqm	25		
16	Providing of members for TV Tower of Bolts & nuts using 12 mm dia appropriate tools as per standard practice and directions of Engineer-in-charge. Inclusive of all materials, labour, scaffolding, transportation, machinery hire charges, lead & lift, tools & tackles etc complete	Nos	360		
17	Encasement of Steel column for Protection				
a.	Drilling of 16mm dia, 150 mm deep holes in concrete on top of pedestal for anchoring of vertical bars. (4 Columns x 1 face x 14 holes) Cost inclusive of all machinery hire charges, drilling, labour, transportation, tools & tackles, lead & lift etc complete.	Nos	62		
b.	Providing of reinforcement 14 no's - 12 mm dia for each column pedestal by welding and fixing in position. 4 Columns x 14 Nos x (1.3+0.15+0.15-0.05) m x 0.88 kg/m Cost inclusive of all welding, bending, cutting, machinery hire charges, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Kgs	100		
c.	Providing of 8 mm dia stirrups at 200mm c/c and fixed in position. 4 Columns x 7 Nos x (2*0.50 + 2*0.8+ 2*0.1) x 0.395 kg/m Cost inclusive of all welding, bending, cutting, materials scaffolding, machinery hire charges, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Kgs	50		

d.	Fixing of 8mm dia shear connectors (L-bars) to steel columns at 500c/c by welding. 4 Columns x 4 faces x 3 Shear Connectors Cost inclusive of all welding, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Nos	53		
e.	Providing M25 Grade self compacting concrete for encasement of columns as per specification. Cost inclusive of all machinery hire charges, consumables, stocking of material, labour, transportation, tools & tackles, lead & lift etc complete.	Cum	5		
18	Providing one coat of metal primer and two coats of synthetic enamel painting of approved make & colour to walls, wood, M.S items& ceiling over the existing surface after scrapping the original surface, putty to fillup the depressions, rubbing with sand paper of zero size and synthetic enamel painting successfully after drying each coat, cleaning of paint stains wherever necessary and finishing as per specifications with necessary scaffolding etc., complete.	Sqm	400		
	G.S.T.-18% ETC AS APPLICABLE				
	GRAND TOTAL				

Terms and conditions :-

1. **The successful tenderer should deposit ONE LAKH rupees as security deposit amount before start of the work.**
2. Rates should be quoted separately for each item and should be in your letter head.
3. The Club reserves the right to accept or to reject in whole or part of the tenders without assigning any reason whatsoever.
