## CIRCULAR TO ALL TRAINERS

Sub: COVID-19 Protocols / Standard Operating Procedure [SOP].

The Managing Committee of the Club has hereby directed that all Trainers are to be more proactive and very vigilant in and around their stable areas.

Further, each Trainer is directed to ensure that the strict protocols which are in place are to be adhered to in accordance with the Club's SOP dated 07/07/2020 which has already been circulated.

It has come to the notice of the Managing Committee that barring a few Trainers, many others seem to have taken a very casual approach which will be of concern to all those working in the BTC premises and more so the Institution is at risk.

Please be advised that the Managing Committee can only lay down protocols / SOP and extend full support whenever required on all COVID-19 related issue. Further, please do not put the full onus on the Managing Committee as this will not be accepted. Any lapse on the part of the Trainers will be viewed seriously and action initiated accordingly.

Please note that each individual Trainer will be accountable for all issues related to the respective stables henceforth in view of prevailing situation.

Please do take care of yourselves, horses and also the wellbeing of all the human beings working in your stables.

By Order of the Managing Committee
