

BANGALORE TURF CLUB LIMITED

PRESS RELEASE

On behalf of the Members of the Managing Committee/Stewards of the Bangalore Turf Club Ltd., I have great pleasure in sharing this Press Release.

BTC is completely dedicated to the sport of horse racing and we are extremely delighted to announce that the Bangalore Winter Racing season 2020-21 is in all readiness to "gallop" off the blocks. After several months of lockdown, the racing track of the Bangalore Turf Club (BTC/Club) will once again resonate with the thundering of hooves and the familiar adrenaline rush associated with the thrill of horse racing. The most eagerly anticipated Bangalore Winter Racing season promises all that and much more.

The BTC is pleased to share that the Government of Karnataka has been considerate in granting the necessary approvals for legalising online betting. This is indeed a milestone for BTC in terms of enhancing the transparency in the betting sport as well as being a significant source of revenue generation. The conventions for the online betting mechanism will be rolled out soon, we are committed to providing a secure legal digital experience through computer, smart phone or tablet device.

RACING

The racing season will commence on Sunday, 1st November, 2020 and we are pleased to announce the aggregate total prize money of **Rs.1,31,56,799/-** for the 5 Race Days [November-1st, 7th, 14th, 21st and 28th].

The remainder of the prospectus will be published shortly.

As per the guidelines of Government of India and Government of Karnataka. Therefore spectator less racing, general public will not be permitted till such time the Government grants permission.

For Public health and safety reasons Bangalore Winter Meeting may not be able to open for general public for the time being. While this has been a difficult decision, it is unavoidable under the present circumstances. In keeping with the spirit of the phased unlocking happening across the country, and to ensure that spectators are not completely deprived of the joy of witnessing racing. the BTC has met with the Government officials and requested permission for a stipulated percentage of racing patrons as may be decided mutually to be allowed to witness the races. The Club has assured the Government of Karnataka that all Standard Operating Procedures (SOP's) will be strictly followed and adhered to.

The Club will certainly focus all its efforts towards bringing back the physical witnessing of the races to the spectators and will share updates on the progress as and when any significant decision is taken.

The Covid-19 pandemic has had significant impact financially on many industries and horse racing is no exclusion. BTC also faces its share of economic challenges owing to the adverse impact of the pandemic, we believe with the support of the members, the government and other patrons, the Club will be able to address the difficult situation and welcome race goers back to enjoy horse racing in a safe and secure environment in due course of time.

The BTC has taken all permissible measures to safeguard all the personnel , all the SOP's are in place by the Club in accordance with the Government guidelines and these will continue to be strictly adhered to.

We thank the Government, all our personnel, patrons and well-wishers for their patience and understanding given the challenging practical circumstances of the current national lockdown and providing us the strength and support for a successful commencement of the racing season.

SWEEPSTAKES RACES:

Added Money for the Sweepstakes Races to be run in November is as detailed below:
