**CARRYING OF IDENTIFICATION SADDLE CLOTH
WITH NUMBERS ON HORSES WORKING ON
THE TRACKS OR ANY PART OF THE PREMISES OF
THE RACE COURSE.**

The Stewards have decided that all horses that are worked at any time on the tracks or any part of the premises of the race course must carry an identification saddle cloth carrying a number. These numbered saddle clothes will be supplied and replaced when necessary by the office.

The two year olds will be supplied with saddle clothes of RED background with white number. All numbers allotted will remain in force for the season.

In the above connection, it will be the sole responsibility of the trainer to ensure that horses in his charge carry the correct number and the numbering is readily discernible when his horses are saddled and being worked.

The Stewards desire to make it absolutely clear that no excuses whatsoever in this connection will be accepted and the trainer concerned will be liable for severe disciplinary action.

Any trainer not understanding the above mentioned procedure should, in his own interest, seek such clarification from the Stipendiary Stewards.
